RE: Application of Avondale Mills, Inc. for Approval of a New Schedule of Rates and
Charges for Water and Sewerage Services Provided to Customers
Docket No.: 2008-460-WS

Dear Mr. Terreni:

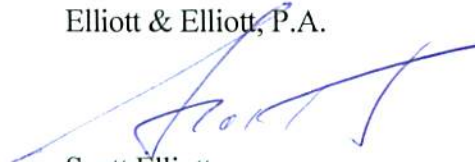

Enclosed please find an invoice in the amount of \$5,662.82 from Tencarva dated April 7, 2009, for the purchase by Avondale Mills of a pump. A question arose in the hearing in the above June 2, 2009, as to whether or not a leaking pump noted on an exhibit of the Office of the Regulatory Staff had been repaired. The pump in question has been replaced by the pump described on the attached. Avondale Mills' employees replaced the pump on May 21, 2009.

Please accept this correspondence and attachment as Hearing Exhibit No. 3.

If you have questions, please feel free to contact me.

Sincerely,

Elliott & Elliott, P.A.

Scott Elliott
